Boarding Specifications

1. Late Check In After 7.00pm

If you need to check in after 7:00 PM, a late check-in fee of \$50.00 will apply. We appreciate your understanding as we strive to keep our schedule running smoothly!

2. Visiting of your furbaby during boarding

To keep things peaceful and cozy, visitation is unavailable from Friday through Sunday and on Public Holidays. We appreciate your understanding as we ensure a calm environment for all our hotel guests!

3. Eligibility to board

Vaccinations

To board our hotel, all furbabies must have a valid vaccination (within the year). Plus, your furbaby should be at least 16 weeks old and have received a minimum of 3 vaccinations before they can be admitted. We're all about keeping our guests healthy and happy!

Sterilisation

To ensure a harmonious stay, we require all furbabies to be sterilized and at least four months old. Please provide us with a copy of your furbaby's sterilization certificate before their boarding stay. It's just one more way we keep our guests happy and healthy!

External / Internal parasites prevention

To keep our guests happy and healthy, all furbabies must be protected against external parasites. This means they'll need to be dewormed at our premises. You're welcome to bring your own external deworming medication, like Revolution, Revolution Plus, or Advocate. If you'd prefer, we also offer Revolution or Revolution Plus for just \$15.00 per application per cat. Let's keep those pesky parasites at bay!

FIV / FeLV Testing

To ensure the health and safety of all our guests, every furbaby must have a negative FIV/FeLV test result within 12 months of their boarding date. Please send us a copy of the test result before admission. Together, we can keep our kitty community thriving!

Check-in Physical Examination

At check-in, we conduct a thorough physical examination to ensure your furbaby is in tip-top shape and free from any signs of infectious diseases, infections, or parasites. If any concerns arise, we may need to decline admission to protect the health of all our guests.
